

Rosati-Kain High School
2017-18 PARK (Parents Assisting Rosati-Kain)

The support of the PARK volunteers is invaluable to the R-K community. Our teachers, staff and students know that one of the great strengths of our school is our parent involvement. PARK provides a framework for parents to participate in our school community through many volunteer opportunities.

The events and activities which R-K anticipates needing parent volunteers are listed below. Please indicate the events in which you wish to participate. The event chair will contact you to confirm your availability prior to the event. Descriptions of each event are located in the parent newsletter and on our website. We thank all of you in advance for your help in making our events run smoothly.

Even if you choose not to volunteer, THIS FORM MUST BE COMPLETED AND RETURNED to school on August 17.
