

Rosati-Kain High School Scholarship Program

Perhaps the most lasting tribute anybody can give is to pass along the legacy of a Rosati-Kain education to others. Rosati-Kain High School's Scholarship Fund allows the school to fulfill its mission of educating qualified young women regardless of their families' economic circumstances. While we explore every avenue to enrich our college-preparatory educational experience through curriculum enhancement, technology, field trips, clubs, and organizations, we recognize that the cost of tuition is a burden on some families. We are mindful that Rosati-Kain enjoys a coveted socio-economic diversity in its student base, and we are able to limit the cost of tuition through the generosity of our community.

You are invited to participate in a special program supporting the Rosati-Kain High School Scholarship Fund for the benefit of students today and tomorrow.

THE NEED

Tuition for the 2016-2017 school year is \$11,650 and the cost to educate a student is \$13,200. Currently, 47% of students receive direct financial aid. Rosati-Kain will distribute \$450,500 in direct aid this year.

THE OPPORTUNITY

Rosati-Kain's *Named Scholarship Program*—that is, endowed scholarships totaling \$30,000 or more—provides an opportunity to assist future generations of students. At the same time, it enables donors to recognize significant individuals, such as alumnae, faculty or family, who have emulated the ideal of “women who will lead and serve the world” throughout their lives.

To partially endow a scholarship, the minimum contribution is approximately two times the cost to educate a young woman or \$30,000. This would yield a scholarship of \$1,725 per year (see table below). Once the scholarship is established, funds may be added to it by the donor or additional donors to increase tuition relief.

TOTAL INVESTMENT TUITION RELIEF

\$30,000	\$1,725/yr
\$50,000	\$2,875/yr
\$75,000	\$4,313/yr
\$100,000	\$5,750/yr
\$125,000	\$7,188/yr
\$150,000	\$8,625/yr
\$175,000	\$10,063/yr
\$200,000	\$11,500/yr
\$225,000	\$12,937/yr
