# Welcome: A Message from the President

Dear R-K Families and Friends,

The opening of the best school year for Rosati-Kain is right around the corner! Welcome back to all of our returning families and a big WELCOME to all our new families.

Pope John Paul II said, "Community is at the heart of all Catholic education, not simply as a concept to be taught, but as a reality to be lived." At Rosati-Kain this has always proven to be true. As we said good-bye to the Class of 2016, we also said good-bye to two staff members who are moving on to the next chapter of their lives. Jackie Jones '07, Advancement Services Manager, accepted a position with the Today and Tomorrow Foundation. John Zaegel, Facilities Director, left R-K for a position in the public sector. We wish Jackie and John well in their new adventures and we are ever grateful for the dedication they have shown to R-K.

Just as we welcome the Class of 2020 to our community, we also welcome several new Kolleagues to our staff. Nika Cafazza '08 is a most worthy successor of Jackie and has accepted the role as Advancement Services Manager. When you meet her there will be no doubt that Rosati-Kain is in her heart and spirit. A familiar face, James (Andy) Anderson, will assume leadership of the facilities department and Gerald (Jerry) Cafazza will join the facilities team. Jerry also has a special place in his heart for Rosati-Kain ever since his daughter Nika was a Kougar. We are excited to have these great additions to our team in place for this new school year.

Our teaching staff welcomes Ms. Liz Hejlik as a full time member of the faculty. Her work at R-K in the second semester last year will facilitate a smooth transition for the new school year. Dr. Goodwin, Mr. McNamee, and I are very pleased to present a great team of Kolleagues to serve, promote, and inspire your daughters.

New updates are not quite as obvious as they were in August 2015, but as the year unfolds, you will find enhancements in technology, student services, and programming to be great new opportunities for our students. More subtle changes to our facilities include new painting, carpeting, lighting and decorating additions.

The Rosati-Kain staff is preparing for a great year through in-service activities, curriculum planning, service and new technology experiences. Some well-deserved R&R will round out their preparation for the opening of school. Please keep the faculty and staff of R-K in your prayers as we remember you and your family each day. We look forward to seeing everyone again in August.

Blessings, S. Joan Andert, SSND President

## FROM YOUR SCHOOL ADMINISTRATORS:

Dear Parents,

We hope your summer is joy-filled and relaxing. We are certainly missing your daughters as we work each day preparing ourselves for their return in just a few weeks. The energy and excitement they bring by just being themselves is most life-giving. Know that journeying with our students through their high school years is a humbling experience for us and a responsibility that all of us take seriously. Thank you for sharing your daughters with us.

This will be our third year as Principal and Assistant Principal of Rosati-Kain High School. Time moves fast for us as we so thoroughly enjoy being part of the Rosati-Kain community. This year we will have many new studentinitiated clubs and activities (chess club, adventurers' club, dress exchange, Kougar Outreach and more) so be sure to encourage your daughter to get involved. Similarly, I encourage each of you to get involved by sharing your gifts. In doing so, together we enhance the experience of our students, nurture lifelong friendships, and build the kingdom of God on earth.

This year we will be focusing on the charism of Humilitas. We receive this core value from the Sisters of Saint Joseph of Carondelet. Humilitas means we strive to listen to God's call and submit ourselves to God's will and to others for God's purpose. We recognize that our very existence is a gift from God and we are grateful.

At our Kolleague day of prayer on August 15, the faculty and staff will gather for liturgy, deepen our understanding of Humilitas and pray for your daughters. This day of reflection also allows us to visit with one another and recommit ourselves to the mission of our school.

On August 17, we look forward to welcoming our freshmen, and then we are off and running with the school year. May God bless each of us abundantly as we strive to live out the Gospel values in all that we do.

Know that we are here for you and your daughters and please do not hesitate to contact us at any time.

Dr. Elizabeth Ann Goodwin Principal

Mr. Tery McNamee Assistant Principal

Rosati-Kain is a college-preparatory school and students are expected to do their work. We want our students to have a successful year, and we know that staying current with their homework contributes to their success. Many assignments are posted on Moodle for parents to view.

### **Cell Phones:**

Because building relationships with fellow Kougars is such an integral part of the high school experience, student cell phone usage is not allowed at Rosati-Kain. Parents are asked to refrain from calling and texting their daughters during the school day. In an emergency, please call the office at 314-533-8513 to reach your daughter.

Visible tattoos are not permitted, and body piercing is limited to two piercings per ear. Eyebrow, lip or tongue piercings are not allowed. For a more detailed description of the dress code, please see the appropriate section of the student handbook.

### **Dressing for Dances:**

Students and guests are to be properly attired. Dress for all in attendance must be modest and appropriate for the occasion. All school rules regarding appropriate self-portrayal apply; bare midriffs and extreme cleavage are not permitted; body piercings and tattoos should not be visible.

Please visit the R-K website under Current Families to review current asbestos management information.

# freshmen: graphing calculators

Incoming freshmen at R-K are required to purchase a graphing calculator, which will be used all four years. Before making a decision about the required model, the math and science departments research the newest technologies available from the leading calculator manufacturers. Your daughter will be required to purchase the model that will be used by the R-K math and science departments. That model for the class of 2020 is TI-84 Plus C Silver Edition (the C is for COLOR). It costs approximately \$140 but can often be found on sale in the late summer. The calculator must be purchased by the beginning of the 2016 -2017 school year.

## seniors: mandatory meeting for seniors and parents

Members of the Class of 2017 and at least one parent should plan to attend a meeting at R-K. ### FROM THE ATHLETIC DEPARTMENT

At Rosati-Kain High School we take great pride in our athletic programs. Our student-athletes not only compete at a high level but also personify the four charisms of our school: Virtus, Scientia, Caritas, and Humilitas. Character development is at the heart of the athletic program at R-K, and student athletes are expected to embody this philosophy by playing with veracity. Rosati-Kain High School offers students the opportunity to compete in 11 different sports, fielding teams at the varsity, junior varsity, and club level. Whether a student is working

toward playing a sport at the collegiate level or has never participated in sports of any kind, our athletic program has an offering that will meet her needs.

There will be a <u>required</u> ALL sports meeting July 31 at 5 p.m. for ALL parents and ALL student-athletes to meet with coaches and the Athletic Director. The meeting will be in the gym and is mandatory if you would like to tryout for any R-K sport throughout the year.

## a message from advancement

We know you have made a conscious decision to invest in R-K to educate your daughter, and we thank you for trusting us to nurture and develop her potential. You have chosen wisely. Rosati-Kain has been educating women to lead and serve the world since 1911, and we are actively seeking opportunities to provide your daughter and the next century of scholars with a quality Catholic education.

We ask that each family prayerfully consider supporting the Annual Fund at a level they feel appropriate, whether it be a donation at the tuition gap amount for your daughter or at the standard family ask level of \$270. Many employers match donations, so please inquire if your employer participates. We acknowledge that some families can only provide other treasures, such as their time. We encourage those families to join us at our annual phone-a-thon in February where we call our alumnae to ask for their continued and generous support.
