Rosemarie Kreft Benton '47,

passed away Friday, June 15th. Rosemarie taught at St. Pius X in Glasgow Village and St. Sebastian grade schools. A lifelong reader, she worked with adult ESL students and young children and was a member of the Bustle Cult.

Dear Rosati-Kain Family and Friends,

At our kolleague retreat prior to the first day of school, I asked the faculty and staff to give me one word that explains the Rosati-Kain mission. I was curious as to what one word they believed most fully describes who Rosati-Kain is and what Rosati-Kain actually does for our students, their families, our local community, and the world. I wanted to evaluate if what our mission statement says we do is actually what we do.

After all the words were submitted via text to a word cloud, we each shared why we selected our particular descriptor. Many of the explanations started off with the preface that there is no ONE word that describes who we are and what we do. Clearly, we educate students on course content, but the high school experience of our girls is so much greater than gaining facts and information. It is even more than learning to apply that information to their daily lives or to think critically about how various pieces of information are connected to each other.

Our kolleagues, male, female, married, single, parents, alumnae, and a variety of ages, represented a vast array of perspectives, but there were certain sentiments about who we are as the Rosati-Kain community that came through loud and clear. Rosati-Kain is thriving and vibrant and life-giving. As a community, we are caring, inspiring, and diverse. We educate, empower, transform, and love our girls and each other. As we play, pray, laugh, and cry together, we learn to respect and regard as truly holy the dignity and beauty of all persons. Our girls will greatly lead, serve, and change the world. They will make a difference. Rosati-Kain is making a difference.

It is clear to me that what happens each day at Rosati-Kain has an impact on many lives near and far. We empower and equip young women to become their best selves. Each day, I hear examples of how our graduates and often our current students, are living out their lives as compassionate, socially-conscious women of integrity. I am assured that our mission is strong and important for our world.

Know that you are always welcome at Rosati-Kain. I would enjoy getting to know each of you.

COMING HOME

“I truly believe that it is a sacred trust for those of us in the alumnae to continue to provide support and be an example to the young women of Rosati-Kain High School. It is our responsibility to continue the tradition and the mission of this wonderful, wonderful gift that we have been given.”

Such was the heart of the powerful message delivered by Sharon Sanders, the 2018 Charism Award recipient, at the Alumnae Mass and Brunch held on Sunday, April 29, 2018.

The Charism Award is presented annually at the Alumnae Mass and Brunch to the R-K alumna who has given back to Rosati-Kain and the broader community. Charism is defined as “a living passion for whatever dimension of the life of Christ is needed now.” No one exudes “living passion” like Sharon Sanders.

Sharon graduated from Rosati in 1963 as valedictorian, Student Council President, participant in the speech league, and member of the debate team. She went on to pursue her bachelor of liberal arts from the University of Notre Dame and her masters from Washington University. Professionally, she started her career as a teacher—teaching high school and middle school for over 10 years. In 1978, she changed careers and

became a manager and client counselor at Equitable Life, John Hancock, and Phoenix Mutual Life.

In 1987, Sharon went out on her own and co-founded the financial planning firm of Delta Solutions, which supported small businesses and individuals in retirement and estate planning. She assisted over 500 investors and provided educational programs in investment to the City of St. Louis, St. Louis University Medical Center, and the University of Missouri—St. Louis,

among others. In 2009, Sharon completed the sale of Delta Solutions and retired from financial planning.

Her volunteer activities are just as impressive as her professional accomplishments. She served for seven years on the board of the Evangelical Children’s Home of St. Louis, and served on the financial advisory boards for the School Sisters of Notre Dame, the Sisters of St. Joseph of Carondelet, and the Archdiocese of St. Louis.

But Sharon says that her real “labor of love” has been serving Rosati-Kain High School.

Sharon served on the Board of the Alumnae Association beginning in 1983, and served as the President from 1986 thru 2012—almost 30 years as an active and integral member of the Alumnae Association. In the newly revitalized Alumnae Association, Sharon serves as a mentor and champion for the Association and all that is Rosati. Why this incredible commitment to Rosati-Kain? As Sharon herself said, “Because I could NEVER REPAY the school and the people who

gave me the true experience of becoming the best I could become.”

When asked about Sharon as the recipient of the Charism Award, fellow alumnae reiterated Sharon’s commitment to Rosati-Kain:

- “No one ever worked harder or longer or more diligently for Rosati than Sharon during my time as an active member at the meetings in the convent. She is very deserving of this honor.”
- “Sharon has a great sense of humor and always seems to be in a good mood. She is thoughtful, courteous, and a loyal friend. R-K has benefited from her competence and dedication to our alma mater.”
- “It will be a great joy to see recognition given to Sharon Sanders, who has done so much over the years to help the alumnae grow.”
- And, from ‘probably her oldest friend’: “I have had the pleasure of knowing Sharon since we were five years old, and I can honestly say that she hasn’t changed a bit. She is kind, caring,

Sharon Sanders is greeted by current R-K students and young alumnae after the award presentation.

wicked smart, and generally a force to be reckoned with in anything that needs to be accomplished. Her dedication to R-K knows no bounds, and for that we can all be grateful."

Sharon delivered her remarks to a packed room of proud alumnae—the largest gathering that we have had for this mission-filled, celebratory event. Along with Sharon, alumnae came together to celebrate and recognize the classes of '38, '43, '48, '53, '58, '63, '68, '73, '78, '83, '88, '93, '98, '03, '08, and '13.

Maggie McCarthy, class of 2013, and member of the Alumnae Association Leadership Committee, delivered the welcome address, remarking that "we are truly in the presence of some remarkable women. Doctors, nurses, lawyers, entrepreneurs, educators, administrators, mothers, wives, sisters, aunts, and daughters—each of those accomplishments is truly something to celebrate, and that is what we are here to do today! Take a moment to reflect on who you have become as a result of attending Rosati-Kain High School while looking ahead at who you can still become."

Rosati-Kain is so very grateful for the ongoing commitment to and support of the young women of Rosati-Kain —our future leaders, the R-K women whose "heads are challenged and hearts are touched," as Sharon declared. The 2019 Alumnae Mass and Brunch will take place on Sunday, April 28, 2019.

KALEIDOSCOPE DINNER AUCTION

Oh, what a night!

Rosati-Kain High School embarked on its first-ever Kaleidoscope Dinner Auction on February 17, 2018. The inaugural event brought together current families, alumnae, and members of the community to celebrate all of the wonderful things about R-K.

The theme of Kaleidoscope is borrowed from a tradition at R-K from the 1960s and 1970s, the Kaleidoscope Festival, which was a celebration of the arts. The Kaleidoscope feeling was recreated with our student artists who displayed their talent through piano playing, singing, and live painting in the halls of the school. Kaleidoscope is a meaningful theme, both as a way to honor who we have been, and also

to honor the potential that Rosati has and the potential in each one of our young women.

A kaleidoscope is such a powerful symbol of change and beauty, and something we probably all remember from our childhoods—looking through the glass and seeing something beautiful as each strand of color uniquely contributes to the beauty of the whole. Even with just one small movement, you see something else—something different, but equally as beautiful. As we move into our future of educating these next generations of young women, we can see Rosati in the

same way—a beautiful legacy of 107 years of educating women, beautiful in its present state, but even more beautiful, colorful, and expressive as it changes and grows into the future.

That evening, the sold-out crowd was stunned at the transformation of the R-K gymnasium that featured dancing kaleidoscopes of purple covering the ceiling and walls; it created the perfect ambiance for a memorable night.

Auctioneer Dan Buck brought down the house with a hugely successful Fund-a-Need. At one point, nearly every single paddle in attendance was raised, all to support the young women of Rosati-Kain.

The traditions of our past were remembered and celebrated.

This first auction raised over \$200,000 for The Fund for R-K, but more importantly, it strengthened our community and reminded us why Rosati-Kain is vital. Throughout the evening, this was evident when attendants witnessed current students speaking with donors, alumnae catching up with classmates, and faculty celebrating with current parents.

Rosati-Kain also honored Sr. Joan Andert, SSND '69 with the inaugural Legacy Award for her dedication and support of her Alma Mater throughout her life. President Dr. Elizabeth Ann Goodwin introduced Sr. Joan remarking, "For three decades, Sr. Joan has led the charge in all things Rosati-Kain—first, as a member of the faculty, then as Principal, followed by her long tenure as President. Sr. Joan stepped into a new role as President Emeritus this year. In each of these roles, she could always be found with her sleeves rolled up and ready to work."

Sister Joan was met with a standing ovation as she took to the stage to accept this inaugural award and to share her thoughts with the crowd about her inspiration.

Students thanking the crowd during the Fund-a-Need.

"Legacy is all about the girls at R-K. It always has been and always will be. Each day every Kolleague is focused on cultivating the faith, talents, and aspirations of young women who will lead and serve the world. Tonight many of these amazing young women are here with us. I encourage you to talk with at least one of them and get to know why we at Rosati-Kain are inspired every day.

The legacy began with the Sisters of St. Joseph of Carondelet and School Sisters of Notre Dame and a few dozen girls who started it all. Thousands have followed. Thank you for your important role in securing the legacy for generations to come."

The evening ended with Rosie, the auction puppy, going home with one lucky family. Thank you to everyone who donated, attended, or volunteered for this amazing night at R-K. Whether you are an alumna, a volunteer, a staff member, a parent, a friend of R-K, or a

student, love brought us together that evening because of our deep care for our young women, and our commitment to educating and empowering them to be our future leaders. Please save the date for next year's auction on Saturday, February 16, 2019. Tickets go on sale in the fall. Make sure to get your tickets early as we anticipate another sold-out crowd.

Hilda Ballard Richards '53

INSPIRING A NEW GENERATION

Hilda Ballard Richards '53 spent her early years facing adversity and challenges, but that did not define who she was or what she would become. Hilda's mother, Lynne, made sure her young daughter understood that life was hard sometimes, but that you have to pull yourself up and continue to push forward. And that is exactly what Hilda did throughout her life.

In 1949, after moving around the country, Hilda's mom married Willis Young, and eventually the family relocated to Sunflower, Kansas. If there was one thing Lynne knew, it was that a Catholic education was essential for success. "My mother believed in a good Catholic education, and she did not believe in segregated education,"

Hilda Ballard Richards '53

Hilda said in an interview with *Contemporary Black Biography (CBB)*. There was just one problem; there

weren't any Catholic schools in their area. Hilda moved to St. Louis to help care for an elderly woman, and that presented her with the opportunity to attend Rosati-Kain High School. Just a few years prior, the Archbishop of St. Louis, Joseph Ritter, began pushing for integration in all of the St. Louis Catholic schools. Rosati-Kain was the first Catholic high school to become integrated in 1947.

At Rosati-Kain, Hilda excelled. She said, "I got straights A's, except one year I got an unsatisfactory in conduct. I had a lot of excuses for my mother, but she just looked at me and said, 'any fool can sit still with their hands on their desk looking straight forward. That is why I am upset with you.' That was the last time I received an unsatisfactory in conduct."

Hilda was always enthusiastic about school and participated in many activities and clubs. She joined the glee club, the Latin club, John's choir, the Legion of Mary, Math club and so many more. Even with her busy extracurricular schedule, Hilda never lost track of her main priority: doing well in high school and attending college.

*Today, Hilda's legacy continues
in the halls of R-K and throughout
our community as she inspires
a new generation of young women
to lead and serve the world.*

“Set your goals and be persistent”

Hilda was 4th in her class of 123, and her Rosati-Kain sisters described her as decisive, determined, and precise. Those characteristics would go on to lead her to a distinguished career as a nurse and educator.

Hilda graduated from St. John's Nursing School in 1956 and continued

her education at Hunter College, earning her BS in Nursing Education in 1961. But Hilda didn't stop there. She went on to earn her MPA, Health Administration in 1971 from New York University and her Certificate in Education Management from the prestigious Harvard University in 1981.

Dr. Hilda Richards continues to serve her community as an educator and health care activist. She is the immediate past president of the National Black Nurses Association (NBNA). Hilda is Chancellor Emeritus and Professor Emeritus of Indiana University. In addition, she was the first black academic dean and the first female academic dean in the school's history.

The NBNA awards a scholarship in her name each year to a student currently enrolled in nursing school and who is a member of the NBNA.

When asked about helping others, Hilda once said, “I had a mother there for me every step of the way, and I've had a lot of supporters. Young people should know that they need a support system. Also, understand that your history is behind you. Set your goals and be persistent. I integrated schools, and I am still alive!”

Today, Hilda's legacy continues in the halls of R-K and throughout our community as she inspires a new generation of young women to lead and serve the world.

REUNION SEASON

Class of 1965-1970

The Classes of 1965 to 1970 gathered on June 21st, 2018, for a cocktail party at R-K. The women were excited to gather with their Kollegues and Klassmates for an evening full of drinks, food, and friends.

Class of 1978

The Class of 1978 visited the school for a tour on June 30th, 2018 in celebration of its 40th reunion. After the tour, the class attended Mass at the Cathedral Basilica and continued the celebration at the Slider House. The class had such a great response—40 members for their 40th—all decided not to wait another ten years to meet again! Please join classmates for a second 40th reunion on Friday, December 7th, at 6:30 pm at J Greene's Pub, 10017 Manchester Road. See you there!

Class of 1987

The Class of 1987, in typical '87 fashion, celebrated not its 30th, but its 31st reunion on April 7th, 2018. Gathering in the R-K Learning Commons, the Class of 1987 was able to tour the new additions to the school as well as reminisce about its troublemaking days in the old, familiar halls. The evening was filled with stories and memories, especially of those who have passed on since their high school days.

Class of 1988

The Class of 1988 was jubilant as they commemorated their 30th reunion on June 23rd, 2018 at Rosati-Kain. The women had a lovely evening, including a sit-down dinner in the R-K gym, a tour of the school, and even a special dedication ceremony for the families of the members of the Class of '88 who have passed on. The women cherished and shared memories of their days at R-K.

Class of 1997

The Class of 1997 celebrated its 20-year reunion with a tour at Rosati-Kain on November 25, 2017. The class enjoyed strolling through the halls of R-K and reminiscing about its favorite Kougar memories.

The Class of 1998 graced the halls of R-K for a tour with families in tow on June 2nd, 2018. The women and their families enjoyed exploring the building and playing with the empty lockers. The women left with many souvenirs from the Kougar Kloset—for themselves and their children—and they even ended the tour by recreating their senior class photo!

Class of 1999

The Class of 1999 gathered once again to celebrate its victory in the 2017 Kougar Klassic. With an unbelievable 85% class participation, these Kougars celebrated their championship with a happy hour in the Coughlin Courtyard on April 27, 2018.

Class of 2004

The Class of 2004 took a guided tour of Rosati on June 9th, 2018. The women enjoyed roaming the school, which was empty for the summer, and revisited their old stomping grounds. It was a great opportunity to catch up and grab some new apparel from the Kougar Kloset as well. R-K girls can never have enough T-shirts!

Class of 2008

The Class of 2008 came back to R-K for its 10-year reunion celebration on June 16th, 2018. The members of the Class of 2008 were a lively group in the Learning Commons, sharing tears and laughter as they talked about their lives since walking the halls of R-K. Some women had not been back in the building since their graduation, and they were happy to see the new addition; they also enjoyed

the familiar parts of the school. Many husbands and significant others partook in the festivities as well, eager to understand the background of the Rosati-Kain women they know and love.

Class of 2012

The Class of 2012 celebrated its 5-year reunion at Llywelyn's Pub in Soulard on November 22nd, 2017. With an impressive turn out, it was a great chance to catch up with old friends and see where life after R-K has taken everyone! Among this class are nurses, teachers, graduate students, medical students, paralegals, wives, and mothers, among many other careers, talents, and gifts. Not only were alumnae present, but a former teacher came, too. Mr. Pete Wissinger, beloved former R-K History teacher, came with his best Kougar pose for photos. It was a night full of fun and laughter, and a promising peek at what the 10-year reunion will bring!

CHERISHED MEMORIES

Marcella Cooper Mueth '38

After graduating from St. Mary Magdalen Catholic Grade School in Southwest St. Louis City, Marcella attended Rosati-Kain High School. During her days at R-K, Marcella would leave each class a few minutes early to go down to the lobby and play the piano. This would signify to the rest of the student body that it was time to change classes.

Marcella's favorite teacher was Sr. Clarine, CSJ, who taught music. She states, "Sr. Clarine was sincerely interested in her students. She was always very helpful and caring." Marcella fondly remembers wearing her saddle shoes and always leaving her uniform shirts hanging loose, which was against the rules! Some of her closest friends were Elaine Branham '38, and Rita Prokasky '38.

After graduating from R-K, Marcella went to work at Consolidated Forwarding Co. at 9th and Biddle. She met her husband, Walter Mueth, at a wedding in 1946 and the two were married on June 14, 1949, at St. Joan of Arc Catholic Church in South St. Louis. The couple had six children in nine years. Marcella's advice to her Kougars family is "Trust in God. Pray, and you will get answers."

R-K President, Dr. Elizabeth Ann Goodwin, recently had the privilege of visiting Marcella in her residence, Delmar Gardens South. Dr. Goodwin presented Marcella with a small R-K piano music box to represent her years at Rosati-Kain.

K. Irene (Rene) Shelley Bouchard '48

"After high school I attended St. Vincent DePaul Hospital School of Nursing on North Kingshighway in St. Louis and graduated in 1952 with an R.N. in nursing. In 1953, I married Robert Bouchard and moved to his home town in New Hampshire, where I lived for the next 57 years, raising three boys, practicing nursing, and teaching kindergarten. I now live in Surfside Beach, South Carolina.

I have many fond memories of my time at Rosati-Kain. My younger sister was two years behind me in school, and since we lived on Lindell Avenue, we both walked to school every day. I remember that our teachers were both Sisters of St. Joseph and Sisters of Notre

Dame. I enjoyed all my classes and teachers, and I especially remember Sister Madeline Sophie and Ms. Regina Sexton. Sister Madeline oversaw our glee club and musicals, and Ms. Sexton was our basketball and bowling coach. Since I was very short in high school (I still am), it's a wonder I played for the school basketball team. I remember wanting to take a class in Spanish, and, after four days, Sister telling me I didn't have 'the tongue' for languages, so I switched to typing and shorthand. I may not have been able to master Spanish, but I did well in four years of Latin.

Rosati-Kain is a great school. I am very fond of my memories and proud of the school and always look forward to hearing the latest news from my alma mater."

Every day, our students are encouraged to pray, asking God for integrity, justice, and peace as they live their lives as women of faith.

Dear Rosati-Kain Community,

So often in my career as an educator, I have heard comments like “it’s really hard to be a teenager these days.” Honestly, my initial reaction falls somewhere along the lines of “how cliché.” The longer I do this work, though, the more convinced I become of the underlying truth and the unique challenges faced by today’s young people. Considerable pressure, even before middle-school, is applied to conform to increasingly distasteful behavior, most especially with social media.

By the time a young Rosati-Kain woman walks across the altar of the Cathedral Basilica at graduation, she is asked to reflect upon, and whenever possible, embody the four charisms upon which our school was founded. We focus on a single charism each year. So, by the time they graduate, our students will have formed a deeper understanding of charity, humility, wisdom, and virtue. Our focus this school year is the charism of *Virtus*. *Virtus* is one of the two core values we received from the School Sisters of Notre Dame. *Virtus* means we pursue good and always give the best of ourselves. Every day, our students are encouraged to pray, asking God for integrity, justice, and peace as they live their lives as women of faith.

Our society and culture’s use of social media makes it increasingly difficult for young women to pursue good and to present their best selves whenever possible. The tandem rise of smartphone usage and adolescent anxiety speaks volumes to the unique challenges faced by teenagers today. Long gone are the days when kids would pull the house phone cord (landline located in the kitchen) as taut as possible to eke out a “private” phone conversation. There is virtually no time “off” from our connected world.

Needless to say, we have our work cut out for us. We, at Rosati-Kain teach our students to follow the path of *Virtus*, especially as it applies to their use of social media. Whenever remotely relevant to their class, teachers encourage and promote the responsible use of social media. We discuss and reflect upon real-life examples of social media posts and we discuss the impact of these posts on their future enrollment in universities and future employment in the workplace.

Please continue to pray for us in our work of forming and empowering young women to lead and serve the world.

Mr. Terence McNamee
Principal of Rosati-Kain High School

Perspectives on **GRADUATION**

Student Perspective: **MARISSA JONES '18**

Marissa Jones '18 moments before becoming a Rosati-Kain alumna.

Graduating is a great challenge and accomplishment that many people can't reach, but it makes me proud to say I was able to succeed. Of course, graduating also means completing four years of hard work and preparing for the next step in life, college.

To me, graduating from Rosati-Kain is an even greater accomplishment. I've had so many family members graduate from Rosati that I feel like I have to live up to their standards. It means crossing the bridge from student to the world of alumnae.

When I graduated from Rosati-Kain, I left with more than a diploma; I also took with me lifelong friendships, new family members, and a legacy that will forever live on.

The legacy of Rosati-Kain started from the moment I walked into the school as a freshman and will continue with me for the rest of my life.

Parent/Associate Alumna Perspective: **MELISSA JONES**

I can recall being in 8th grade at Christ the King Elementary school. My friends and I all applied to Rosati-Kain for high school. It was such a BIG deal to be a "Rosati Girl." We anxiously awaited decision day. Our Principal, Sister Rosella, called each of us into her office individually to tell us the results of our applications. It was my turn; she asked for Melissa Shead to come down to her

office. My heart was about to beat out of my chest.

When I got to her office, she had on her poker face. She then pulled out the letter and said, "Congratulations!" I had gotten accepted into Rosati-Kain High School. Oh my goodness, my dream had come true! I was going to be a "Rosati Girl." I walked as fast as I could (there was no running in the halls

at Catholic schools) back to my classroom. I had a huge grin on my face when I entered the class. I could barely contain myself as I told my other classmates that I, too, would be attending Rosati-Kain High School. Oh, the fun we were going to have!

In freshman year, I met some really great girls and had a really nice group of friends. We got a great education and had fun while doing it. My family soon moved to West County which

was no longer accessible to Rosati. We decided that I would attend my neighborhood public high school where I could ride the school bus back and forth. Needless to say, I survived and graduated.

Having two daughters, I was excited about the possibility of sending them to Rosati-Kain to follow the R-K legacy our family had created. My Mom and cousin are both R-K Alumnae. I have been told I am considered an Associate Alumnae since I had attended as well. So I am still a "Rosati Girl." I am proud to say I got my foundation from R-K, and that my daughters are graduates. They too, have received a wonderful foundation

to carry them through their collegiate years thanks to the faculty, staff and coaches. We are forever grateful for our Rosati-Kain family! Go Kougars!

Melissa, Marissa '18, and Michaela Jones '17

Grandmother/Alumna Perspective: **LINDA SHEAD '64**

It has been my desire to see my two granddaughters become Rosati-Kain graduates. On Monday, May 21, 2018, that wish became a reality as Marissa Jones made her way up the altar steps of the Cathedral Basilica to receive her diploma.

The years have zipped by all too quickly. They were jam packed with activities every week: Back-to-School Night, Grandparents' Day, Winter Concert, field hockey games, Open

House, Unique Boutique, basketball games, track and field events, Spring Concerts, athletic banquets, Trivia Nights, Senior Lock-Ins, all the dances, shopping in the Kougars Closet.... I know I missed naming a few! Though I did not attend classes with my granddaughters, I enjoyed their time at Rosati-Kain, especially Grandparents' Day. It was such a special day with Mass at the Cathedral with the girls, followed by cookies, coffee, and

pictures in the gym. We finished with lunch in the Central West End after.

With the addition of ACC courses, Spanish 3 and 4, and Truman Math, the girls were on the fast track to college readiness. A genuine transformation was taking shape; they were becoming mature young women. Here were scholars prepared to thrive in a diverse university environment.

My gratitude goes to the entire Rosati community of teachers, coaches, and staff for their care, concern and contribution to ensure the success of my "girls." I am pleased beyond measure to be a Rosati-Kain alumna, and I can now say, with pride, my granddaughters are Rosati grads, too!

"I am pleased beyond measure to be a Rosati-Kain alumna and I can now say, with pride, my granddaughters are Rosati grads, too!"

Sister/Alumna Perspective: **MICHAELA JONES '17**

I graduated from Rosati-Kain in 2017. As I walked across the altar of the Cathedral, I was not only graduating from high school, but I was also walking into a new chapter in my life. Although my time at R-K has closed, everything I learned in high school will always stay with me. Rosati-Kain supplied me with a strong foundation crafted with all the resources and knowledge needed to

walk with ease into this new journey of adulthood. Every student at Rosati has been instilled with values and memories to last a lifetime. Although I am now an alumna, I know that I will always have my R-K family to cheer me on in everything I do! I walked into Rosati-Kain having just one sister, but left with many more.

Family traditions—three generations of Rosati-Kain women

Faculty Perspective: **BRYAN KASTEN**

Graduation is a solemn experience. It is indeed the last hurrah for each class. For me, it was my last hurrah as well and more meaningful because of it. It was a pleasure and great privilege to be able to read each student's name and see her come forward to receive her diploma. For the girls, at that point in their lives, it is the pinnacle of their success. However, we faculty members know it is only a part of the beginning of achievements in their lives. Many will go on to become doctors, teachers, social workers, mothers, and for most, eventually, grandmothers, and they will have and know and feel much greater accomplishment then. However, in that moment, at this point in their lives, graduation is the great goal these young women have achieved, and it's always a pleasure to be a part of it. Thank you, Class of 2018.

BREAK-A-LEG, *Rosati-Kain*

From the beginning of Rosati-Kain High School, we have always strived for academic excellence. We have also loved to use our imaginations and creativity, and to just have fun with our fellow R-K sisters. In 1912, both the Sisters of Saint Joseph of Carondelet and the School Sisters of Notre Dame helped the students perform short plays for one another and special guests visiting the school. Only after moving to Lindell and Newstead did the tradition of "The Senior Play" start. The girls wrote, produced, and played all parts for faculty, parents, and fellow students on the stage in the Cathedral Grade School on the evening of Class Night.

Alumnae Association Drama Club

In the fall of 1922, the Rosati-Kain Alumnae Association had grown, and because of R-K's love of theatre, the women formed the Rosati-Kain Dramatic Club. Electing officers, they went to work, and in the spring of 1923, the first production, *The Eastern Gate*, was presented in the St. Louis University auditorium with the Alumnae Orchestra and Chorus. All parts were played by alumnae, and this first production netted \$2,500 dollars. Because of this success, the Alumnae Association Drama Club continued to put on musicals and plays for the next eight years, raising over \$30,000 for the school board to support both the CSJ and SSND communities teaching at Rosati-Kain. Unfortunately, with the Great Depression also came the last Alumnae Association production in 1931.

1920s–1940s

In 1924, Miss Regina Sexton was hired as the first lay teacher at Rosati-Kain. In December 1937, Miss Sexton directed Rosati-Kain's first Choral Drama, *Gloria*. For the first time, students sold tickets not just to the R-K community, but also to the general public. Then in April 1940 the very first official senior production, *The Slip of The Slipper*, ran for three nights, completely

apart from Class Night. This was the official start of the Rosati-Kain Senior Play. With the completion of the new gym and R-K's first stage, the theatre/drama experience exploded. Thus, began the all-girl theatrical extravaganza!

above: *Miracle Worker, 1985*

1950s

In the fall of 1953, Sr. Jeanine took over the R-K drama and speech programs. She was the first to audition males for parts in the 1955 production of *Our Hearts Were Young and Gay*. Sr. Jeanine created the R-K Troupers, also known as the R-K Players, in 1953. This was a group that blended drama and speech into one-act plays, even traveling to Oklahoma to perform after winning the SLU competition. The R-K Troupers continued to perform until 1960.

1960s–1970s

In the fall of 1961, Sr. Marie Blanche Marschner '55 became the newest drama teacher and tasks like designing and building sets, manning backstage, or operating lights, were always team efforts. The first senior class production under Sr. Marie Blanche's direction, *Mary of Scotland*, was just the beginning of her 40 years of R-K drama. In 1970-71 she added another production each year in order to involve all four classes. After awhile, Sr. Blanche started auditioning males; the days of an all-girl cast were over.

Backstage was a whole different story. Students had always taken pride in the talents of the stage crew. From lighting, costumes, and set design to props, all jobs had been viewed as valuable. From tales told, no one could liven up an after-party like the stage crew!

Many R-K graduates have pursued careers in and behind the scenes and are very successful. Kate Egan '94 is grateful for the lessons she learned while working as part of the theatre crew. She states, I'm so thankful for those R-K years that let me explore the different options of working in theatre production before entering the working world."

After 40-plus productions, Sr. Blanche said goodbye to R-K with her last production, *The Miracle Worker*. Sr. Blanche recently reminisced about her days in R-K theatre saying, "It is so hard to decide on my favorite production; I loved all my years at Rosati. But I would have to say the most fun was *The Importance of Being Earnest* in 1978.

1980s–1990s

In 1984, Mr. John Contini became Rosati-Kain's first male drama instructor, producing two or three productions a year. He, too, embraced R-K's all-girl production power house. After 13 years, Mr. Contini said goodbye to Rosati-Kain with his last production, *Perspectives*.

2000s

Since 2000, Rosati-Kain's current drama instructor, Mrs. Sarah Godefroid Morris, has proved to be just as dedicated and devoted to her field as her predecessors, producing the fall musical and spring play for over 18 school years. The students worked hard building sets and sewing and designing costumes with Laura Govero-Yann '69 just as Sr. Marie Blanche did for so many years. Mrs. Morris was recently awarded the KPLR Tools for Teachers Award for her dedication to the students of R-K. Upon winning this award, Sarah credited her students. She said, "I feel so blessed and lucky to be able to work with such talented girls."

With over 140 productions performed for the R-K Community and the general public, all our R-K alumnae who loved the stage, whether on it or behind the scenes, can be assured that Rosati-Kain theatre is still alive and thriving in the Central West End. R-K's latest production is this year's fall musical, *Little Women*.

LEAVING YOUR LEGACY

There is a picture that hangs in my front room, a black-framed pencil drawing of a building on the corner of Lindell and Newstead.

Rosati-Kain High School

It hangs beside my door because every time I leave my house, I want to remember what R-K gave me (Class of 1987) and my daughter, Katie (Class of 2010).

R-K made me who I am and surrounded me with independent, confident, intelligent women who brought their own unique perspectives to an incredible four years. Those women, the hallways, the tennis shoes painted up each flight of steps and the teachers (I think of Sr. Sheila and Sr. Denis every time I write, and pray to them when I am stuck on wording), all molded and shaped my reality.

We left truly believing we could take on the world. Why would we not?

The foundation created by Rosati-Kain keeps me strong and centers me. The framed picture never lets me forget who I am and what I can do.

above: Caroline Markel Hammond '87 and her family visiting New York.

top: The framed picture of R-K that hangs in Caroline's home.

Honoring R-K in my planned giving and trust was a natural choice. The experiences there touched me, and remain to this day resources of strength. It's an ever-expanding web of goodness that needs to remain for generations of women to come.

Planning to leave money within my trust will help ensure world-changing,

intelligent women will walk those halls and unleash a force to be reckoned with when they leave. It's a legacy. It's a final act, knowing that the outcome will fortify inner foundations for women and each life they touch.
