RULES AND CODE OF ETHICS FOR TECHNOLOGY USERS

As a technology user I agree to follow the *Rules and Code of Ethics for Technology Users* in all of my work with devices while attending Kougar Camps.

1. I recognize that all device users should have equal access to the equipment; therefore, I will not use any technology device for non-academic purposes. I will not waste or take supplies such as paper, printer ribbons, and diskettes that are provided by the school. When I am using a device at school I will work in ways that will not disturb others. I will keep my area clean and will not eat or drink while in the area or while using a device.
2. I understand I will not be allowed to bring software applications, games, or CD-Roms from home to be used on R-K equipment. Also, I will not be allowed to download software applications or games via the Internet.
3. I will not copy, change, read, or use files from another user, unless it's part of the camp program; I will not attempt to gain unauthorized access to system programs or computer equipment; I will not use computer systems to disturb or harass other users.
4. I understand that each camper who receives Internet access through the school account will be instructed in the proper use of the network. The use of the Internet must be in support of education and camp activities and must be consistent with the educational objectives of Rosati-Kain High School.
7. I realize that transmission of any material in violation of any US or state regulation is prohibited. This includes, but is not limited to: copyrighted material, threatening or obscene material, or material protected by trade secret. The use of Rosati-Kain's computers and networking resources for commercial activities is not permitted. Their use for product advertisement or political lobbying is also prohibited.
8. I understand that security on the Internet is a high priority; therefore, **I will not use e-mail, chat rooms, bulletin boards, or online shopping at Rosati-Kain**. In addition, I will not reveal my personal information, home address, or personal phone number, or those of other campers, camp counselors or staff members.
9. I recognize that although Rosati-Kain has safety and filtering software, it is a possibility

that I may encounter sites on the Internet that may not be considered appropriate (vulgar jokes, statements of belief that might be considered immoral, adult content, etc.). I understand it is my responsibility to exit these sites immediately and not pursue material that could be construed as offensive.

10. Rosati-Kain High School makes no warranties of any kind, whether expressed or implied, for the service it is providing. Rosati-Kain High School will not be responsible for any damages suffered by a user. Use of any information obtained via the Internet is at the user's risk. Any users identified as a security risk or having a history of problems with other computer systems may be denied access to the Internet and/or any computer at Rosati-Kain.
11. The use of the technology device is a privilege, not a right, and inappropriate use will result in the cancellation of these privileges. Vandalism or intentional modification of system settings will result in cancellation of privileges and school disciplinary actions. The school reserves the right to seek financial restitution for any damage caused by a student or other user. Violations of the *Rules and Code of Ethics* described above may result in the loss of all computer privileges.

I have read the Rules and Code of Ethics for Rosati-Kain Technology Users. I understand and will abide by it. If I do not follow the rules, I understand that my computer and/or Internet privileges will be revoked.
