R-K wants you to grow through both academic learning and formative experiences. Your spiritual life is as unique as you are. Everyone is invited to participate in the prayer life and mission of our school, following the teachings of Jesus Christ and the traditions of the Catholic faith. We grow through reflective and active practices.

Prayer and seasonal observances	school, neighborhood,
Discussions on books, movies, media	world

Meditative practice	engagement with issues
Retreat	in the world around us
