

FERPA WAIVER REQUEST FORM

Guidance Office 4389 Lindell Blvd. St. Louis, MO 63108 314-533-8513

The Family Educational Rights and Privacy Act (FERPA) of 1974, establishes the rights of students with regard to educational records, and ensures students of the right to privacy and confidentiality with respect to those records.

Colleges and universities prefer that teacher evaluations and recommendations be confidential. Colleges generally believe that recommendations written with this understanding are more candid and honest. Therefore, those recommendations have more validity and carry appreciably more weight in the admission process than recommendations which parents and students can access.

In light of this, we request that all students/parents requesting letters of recommendation complete and return the waiver form below to the Guidance Office. If you choose <u>not</u> to waive your right to access letter of recommendations, a copy of this form may accompany college application and transcript packages.
