ROSATI-KAIN HIGH SCHOOL

Mission

Through a vibrant Catholic education, we cultivate the individuality, faith, talent, and aspirations of young women who will lead and serve the world.

For over 100 years, Rosati-Kain has provided generations of young women an education rooted in the Catholic faith, built on the individuality of our students, and focused to ensure the success of each young woman in college and far beyond.

Rosati-Kain is a vibrant, inclusive community where diversity of thought and experience is respected and viewed as essential to excellence. We welcome the perspectives of people who differ in a variety of ways. At Rosati-Kain, all voices speak and are heard and help to strengthen the R-K community. Our shared values bind us together. Our interdependence and our individual differences are worthy of celebration.

The commitment to educating the complete student has been a trademark of Rosati-Kain since our inception in 1911. But more importantly, we have repeatedly earned high regards from our most important constituents – our students and their families.

"We had three daughters graduate from Rosati-Kain. Two were National Merit Scholars. We credit their success to R-K! Students are taught and encouraged to use the gifts God has given to each of them! There is no doubt we would send our daughters there again!"

Spirituality

Humilitas

We listen to God's call, we recognize that everything is a gift from God, and we embrace that call in our lives.

Virtus

We pursue good and always give the best of ourselves.

Scientia

We use the gift of intellect and life experiences which transform and empower us.

Caritas

We celebrate God's unconditional love living in and through us.

At the heart of Rosati-Kain are four charisms given by our founding orders, the Sisters of St. Joseph of Carondelet and the School Sisters of Notre Dame. These shared values from two religious orders are what sets us apart from other high schools in the St. Louis area.

Our religious education program prepares students to accept responsibility for their mission of living the Gospel, nurtures in students the ability to make moral decisions, and fosters in students the desire to embrace diversity in all things.

Students at Rosati-Kain are encouraged to think deeply about what religion and spirituality means to them while discovering and developing their own personal religious identities.

The spirituality of the women of Rosati-Kain is enriched through liturgies, prayer services, annual retreats, and community service opportunities.

Service

"Meeting the people of Punta Gorda brought us a real in-depth understanding of the similarities and differences of being a human in Central America."

– Catie Nosacka '21

Rosati-Kain's motto, "Believe. Achieve. Do." embodies the spirit of every R-K student. We BELIEVE in one another. We will support one another to ACHIEVE our goals. We provide opportunities to DO what we are called to do.

At Rosati-Kain, students learn the importance of actions as a reflection of faith. Service projects instill leadership, self-discipline, and social cooperation; furthermore, they encourage students to develop decision-making skills and personal accountability.

Students work together through the Kougat Outreach Club and the Summer Immersion Trip to deeply explore the call of every R-K student to be a global citizen and a person of faith.

By keeping R-K's commitment to ongoing service work, students have the chance to create lasting social change in the community. Through this program, community connections, and our Campus Ministry, every student completes 100+ hours of service before graduation.
