COLLEGE ADMISSIONS PROFILE

2018-2019

MISSION STATEMENT

Through a vibrant Catholic education, we cultivate the individuality, faith, talent, and aspirations of young women who will lead and serve the world.

THE SCHOOL

Originally, Rosati-Kain was established as two separate educational institutions named for Joseph Rosati and John Joseph Kain, the first two Archbishops of St. Louis. The centers were run by the Sisters of Saint Joseph (Rosati Center) and School Sisters of Notre Dame (Kain Center). In the fall of 1911, the two centers combined to form one school, Rosati-Kain. Presently, Rosati-Kain educates students from throughout the metropolitan St. Louis area and Illinois (99 grade schools and 57 zip codes) to enrich, cultivate, educate, and prepare them for their future in the new century. Located in the city's Central West End, Rosati-Kain serves young women diverse in religious, geographical, social, racial, and economic backgrounds.

Rosati-Kain is accredited by AdvancED. Currently, there are 33 faculty members; 64% hold advanced degrees.

Admission is by selection based on standardized test scores and grade school record. There are currently 278 students enrolled; 54 seniors, 59 juniors, 85 sophomores, and 77 freshmen. When asked, students identify themselves as the following: American Native Indian (1%), Asian (1%), Hawaiian/Pacific Islander (2%), Black or African American (21%), Black Hispanic (1%), Hispanic or Latino (3%), Multiracial (7%), and White/Non-Hispanic (67%).

THE CURRICULUM

The school year consists of 2 semesters of 18 weeks (each with 9 week reporting periods). Credits and GPA are calculated each semester.

GPA: set on a 4.0 scale based on all subjects. College credit and AP courses are weighted.

RANK: Rosati-Kain does not rank students.

GRADUATION REQUIREMENTS

The minimum number of credits for graduation for all students is 28. The course distribution must meet the requirements of the AdvancED, the State of Missouri, and the standards of the Archdiocese of St. Louis. The requirements are:
